SCHOOL BASKETBALL TOURNAMENT OPENS TOMORROW—12 TEAMS ENTERED

Eight High and Four Prep Quintets to Compete Here For State Court Title—Fraternities House Players

Basketball Tourney Opens Tomorrow Afternoon at Three With Portsmouth Opposing Manchester High—Tilton Favored to Win in Prep School Division for Title—Trophies Awarded Saturday Night to Winners and Runners-up—Wildcats Play Final Game With Brown

The Sixth Annual Interscholastic Basketball Tournament, under the direction of the department of Physical Education of the University, opens at the men's gym tomorrow with eight high and four preparatory school teams competing in their respective classes for the championship of the state in basketball. Tomorrow and Saturday are the two important days in the eyes of the New Hampshire basketball fans, and the University of New Hampshire is the place where all the action starts and finishes.

The tournament games begin on Friday afternoon at three o'clock and will continue until Saturday night when the final contest takes place in the high school division. The teams entering the tourney are: High school class, Manchester, Portsmouth, Laconia, Lancaster, Keene, Kennett (Conway), Hanover, Nashua; prep school division, Tilton, Colby, Holderness, St. Joseph's (Manchester.)

The New Hampshire basketball tournament has become one of the most important contacts between the young men of the state and the University.

Two former tournament winners, namely Portsmouth and Manchester, meet in the first game of the tourney. Manchester won the 1924 and 1926 court championships while Portsmouth clinched the title in 1925. Newcomers in this year's tourney games are Laconia, Kennett, and Hanover, although all three have participated here in former seasons. Tilton School is favored to come through in the preparatory class but three strong teams will oppose the up-staters for the state title. The Hood Rubber Products Co. of Watertown, Mass., has offered a gold medal to that player in both divisions of the teams who is judged to be the best all-around player for his team, basing the award on good sportsmanship and ability in the tournament games. Gold charms will be given to the winning teams in both the high and prep school teams while silver medals go to the runners-up in the high school class.

The schedule of tournament games has been drawn up as follows: Friday, 3-6 p. m.—Portsmouth vs. Manchester; Colby vs. St. Joseph's; Lancaster vs. Hanover. Friday, 7-10 p. m.—Kennett vs. Nashua; Holderness vs. Tilton; Laconia vs. Keene. Saturday, 10-12 a. m.—Winner of Manchester-Portsmouth vs. the conqueror in the Lancaster-Hanover match; winners of Kennett-Nashua and Laconia-Keene games meet. Saturday, 1.30 p. m.—Final round in prep school class. 7 p. m.—Finals in high school division.

A varsity boxing match with M. I. T. is scheduled for 3.45 p. m. on Saturday while the Wildcat basketball team plays its final game with Brown at eight o'clock after the high school final contest. George Hoyt of Boston and Oswald Tower of Williams will officiate at the tourney games.

THE CAMPUS CLUB

SENIORS ORGANIZE FOR COMMENCEMENT

Committees Appointed at Class Meeting to Select Caps, Gowns, and Canes with Johnson, Abbiatti, and Neville as Chairmen

The Senior class met to elect the committees for this year's Commencement Wednesday, March 2. The cap and gown committee is to be under Barney Johnson and two other members of his own choosing. Canes are to be decided upon by Furio Abbiatti, chairman, Leslie Ayres, Burnell Bryant, Frances Fairchild and two other women to be appointed by Miss Fairchild. The commencement speakers are to be nominated by MacLean Gill, chairman, Gwendolyn Jones, Pauline Andrews, Fred Nagle and Margaret Marnoch. The Alumni committee is in charge of John Neville, chairman, Walter Hopkins and Eleanor Atwood.

STUDENT-DEAN COMMITTEE MEETS

Student government, which is under consideration by the Student Council and may be instituted on the campus here, will be the problem discussed by the Student-Dean Committee at its next meeting Monday evening at the Commons Building.

The Student Dean Committee is an advisory organization, recently formed by Dean A. N. French of the College of Liberal Arts. It is composed of representative men on the campus and its function is to take up for consideration student and administrative problems. These problems are discussed from the angle of student opinion on them. The purpose is to achieve closer harmony between the administration and the student body by laying mutual problems on the table and talking them over. The group is granted advisory powers only and has no legislative or judicial functions. This makes it distinct from and eliminates any conflict with such organizations as the Student Council.

Dean A. O. Morse and Dean A. N. French represent the administration and one faculty member is invited to each meeting as the guest of the committee. The committee is composed of six seniors and three juniors. The seniors are John Neville of Portsmouth, Paul Johnson of Durham, Albert Van Allen of Woodstock, Furio Abbiatti of Barre, Vt., Harry Page of Lynn, Mass., and Frederick Robinson of Brookline, Mass. The juniors of the committee are William Dane of Salem, Mass., Edward Necker of Norwood, N. J., and Donal Macphee of Springfield, Mass. The only permanent officer is the secretary, who is Frederick Robinson. The chairmanship rotates, each member acting as chairman for one meeting.

CONTEST WILL DECIDE UNIVERSITY'S BEST SPEAKER AND REPRESENTATIVE

U. N. H. EXTENSION SERVICE DEPARTMENT NOW ACTIVE

The departments of Botany, Entomology, Horticulture, and Agricultural Chemistry are formulating an apple spray program under the supervision of the Extension service, for the apple-growers of the state, and will soon issue a circular upon the subject, according to Mr. H. B. Stephens of the University Extension service. He also announced that Dr. E. A. White, director of the national committee on relation of electricity to agriculture, was in Durham March 5 going over the results of the year's experimental work in electrified farming with W. T. Ackerman, who is in charge of such work at the experiment station.

A revised bulletin on vegetable gardening by J. Raymond Hepler, Professor of Horticulture, has just been issued by the Extension Service of the University.

HONORARY SCHOLASTIC SOCIETY TO INITIATE

The New Hampshire chapter of the national honorary scholastic society Phi Kappa Phi will hold its initiation service and banquet in the Commons Building on April 6. Dr. Grey, President of Bates College will be the speaker at this meeting.

The initiates are: Helen Coe, Ethel Kelley, Irving Dicey, Louise Tobey, Gladys Harris, Armando Carli, Elizabeth White, Janette Thomas, Carolyn Dodge, S. W. Roberts, R. O. Maloney, R. C. Dustin and J. G. Goodrich.

LIBERAL ARTS STUDENTS TO REGISTER MARCH 9 TO 23

As has been the custom for the past year, the College of Liberal Arts will conduct an advance registration period from March 7 to March 23.

In addition to registering for courses between these dates, March 17 has been set aside for complete registration, when fees may be paid. This innovation was brought about by Mr. R. C. McGrath, the Business Secretary, to relieve the congestion. Under the old system, the entire student body was forced to pass through the hands of Business Department in one day, causing considerable delay and inconvenience.

As many as are able are asked to make their complete registration on March 17.

VARSITY LOSES CONCORD DEBATE

Meet West Virginia Before Rotary and Kiwanis Men

Varsity Argues For War Debt Cancellation—Governor Spaulding Attends—Commends All Speakers—Speech of Zeverly of West Virginia Outstanding

The University of New Hampshire men's debating team met the West Virginia debaters in Concord before Governor Spaulding and the combined meeting of the Concord Kiwanis and Rotary Clubs Tuesday, on the question, "Resolved: That the United States should cancel the war debts." The debate was held on the Oxford plan which calls for a vote of the audience. The West Virginia team upholding the negative was judged by the vote of the listeners to have advanced the best arguments. Gwendolin Jones, captain of the women's debating team, acted as chairman.

The winning team consisted of Russell Morris, Byron Randolph and John Zeverly. For New Hampshire, John Fleming, '29, Burnham Davis, '29, and Charles Johnson, '29, spoke in the order given. While Governor Spaulding commended the work of all the debaters, the work of Mr. Zeverly was outstanding. The Oxford plan calls for nine minute speeches for the second and third speakers, while the first speech is divided into a five minute opening talk and a four minute rebuttal. Morris and Fleming gave the rebuttals for their respective teams.

Governor Spaulding and the debaters were the guests of honor at the luncheon jointly held by the Kiwanis and Rotary clubs of Concord in the vestry of the Universalist church. Following the banquet the debate was held.

The West Virginia team is on a tour of the Atlantic coast states and has now covered nearly three thousand miles. They met the debating team of Bowdoin College on the preceding evening.

WILDCAT WINTER SPORTS TEAM WINS INTERNATIONAL CHAMPIONSHIP MEET

Beat Dartmouth by Three Points in I. W. S. U. Finals at Montreal—Take Three First Places—McGill Third

Pederson Captures First in Ski Jump—Tetley Makes New Record in Two-mile Skating Race—Hobbs Leads Field in Snowshoe Grind—New Hampshire Team, Behind in First Day's Scoring, Wins Winter Sports Meet by Sheer Grit and Stamina

STUDENTS WILL HEAR THOMAS OF HARVARD

The teacher-training students of the English Department will hear Professor Charles Swain Thomas of Harvard University, who has been invited to speak on "The Teaching of English in Secondary Schools" on April 30th. Mr. Thomas is an author of text-books on English Teaching and also a well-known lecturer.

ANNUAL TOWN MEETING HELD

The one hundred and ninety-sixth annual meeting of the Town of Durham was held Tuesday at the Durham Town Hall. The meeting had a strictly business-like air because of the lack of students, which was due to the special motion passed last year restricting the attendance to those on the check-list and the guests of the Selectmen.

Albert D. Littlehale was re-elected Selectman, Jabez Stevens and Fred Davis are the other two Selectmen. Charles Wentworth was re-elected clerk; George D. Stevens, re-elected treasurer; Miss Esther Y. Burnham, tax collector; Clement Moran and Samuel Runlett were re-elected auditors; Charles H. Pettee re-elected as trustee of Trust Funds.

A proposition to raise and appropriate necessary sums of money for road construction and maintenance and for bridge repairing was passed, as was one to furnish surety bonds for town officers, and that authorizing Selectmen to borrow money in anticipation of taxes.

The request of Mr. Lewis for an increase in the Library appropriation from \$100 to \$200 was granted.

It was voted to accept State Aid for the construction of a cement bridge, to replace the wooden Fowler Bridge, towards which the town will raise \$800.

Four hundred dollars was appropriated to continue the work of the White Pine Blister Control, and to appropriate one hundred and fifty dollars to have the new cemetery site surveyed.

The Selectmen were authorized to sell the old tractor and heavy wagons and to have as many lights installed on Mast Road as are necessary.

The Town authorized the Trustees of Trust Funds to petition to remove bodies from the Lucien Thompson burying ground to the Town Cemetery. If such permission is given, the Trustees may take legal means to use the money left by the will of Lucien Thompson to purchase and take care of the lot.

It was voted that all Town officers be elected by the Australian ballot, and that all committee reports be printed in the Town reports.

The annual budget totals of \$22,110 were passed and an amendment was passed increasing the budget to \$22,460, an increase of \$2,960 over last year.

At the afternoon meeting of the school district held in the afternoon Charles Wentworth was elected clerk, succeeding Mr. Samuel Craig, clerk for ten years; Mrs. Alice Getchell, elected member of the school board for one year; Mr. Alton Richards elected member of the school board for three years. Samuel Runlett and Clement Moran were elected auditors of the school board and George D. Stevens elected treasurer.

The school board committee was authorized to make a thorough investigation of the high school and grade school building situation in the district of Durham and to make a definite report on or before the next school meeting.

ENGLISH NOTE

Miss Squires, head of the English Department at Haverhill, Mass., and under whom our practice-teachers are working, was in town last Wednesday to attend "The Show-Off."

PLEDGING NOTICE

Phi Delta Upsilon Fraternity announces the pledging of Maurice Nichols, '29 of Penacook and Charles Woodward, '30 of Milford.

The New Hampshire winter sports team, by winning the Ski and Snowshoe Championships of the Eastern United States and Canada held at Montreal last Friday and Saturday, clearly won its place as the foremost collegiate winter sports team in the year. The Wildcats, falling behind Dartmouth in the first day's scoring, came through by sheer grit and stamina in the final events to defeat Dartmouth by the score of 32 to 29, despite the series of mishaps that continually followed the team in the international meet where 13 colleges competed. The fact that New Hampshire has lost but one winter sports meet in two years, losing at Williams-town last year by one point, makes the Blue and White team's record all the more remarkable.

Injuries to Weston and Pederson in the downhill ski race and the breaking of Captain Littlefield's snowshoe showed the hard luck that the New Hampshire team labored under throughout the entire meet. Weston, who had chipped his shoulder in the ski race, jumped with his arm in a sling, winning third place in the event. Pederson collided with a tree in the same race, smashing his skis and losing points in the race. On borrowed skis the next day Pederson, the Marshal Foch trophy winner this year, again triumphed over Proctor of Dartmouth in the ski jumping to win first place. The New Hampshire freshman jumper showed perfect form and style in his jumps and out-distanced all his rivals, although Proctor kept close to Pederson in jumping, the latter giving New Hampshire the final margin to win the international meet. Weston came through with a third place in his crippled condition, adding two more points.

Another example of the courage of the Wildcat team came when Captain Littlefield, a conceded winner in the snowshoe race, broke one of his snowshoes and was forced to give up

(Continued on Page 2)

CALENDAR OF EVENTS

Tonight

7.30 p. m. Connecticut-New Hampshire Debate in Zoology Lecture Room. Subject: "Military Training in the Colleges."

Friday, March 11

3.00 p. m. Portsmouth vs. Manchester High in tourney games.
4.00 p. m. Colby vs. St. Joseph's, prep school division.
5.00 p. m. Lancaster High vs. Hanover High.
7.00 p. m. Kennett High vs. Nashua.
8.00 p. m. Tilton vs. Holderness, prep school division.
9.00 p. m. Laconia High vs. Keene.

Saturday, March 12

10-12 a. m. Semi-finals of high school basketball games.
1.30 p. m. Final of prep school games.
3.45 p. m. M. I. T. vs. N. H. varsity boxing team.
7.00 p. m. Final high school game in tournament.
8.00 p. m. Brown vs. Wildcat basketball team.

Sunday, March 13

10.00 a. m. Celebration of the Holy Sacrifice of the Mass at Men's Gym.
10.45 a. m. Morning service at Community church.
4.00 p. m. Episcopal Evening Song Service at Community church.

Monday, March 14

7.00 p. m. Student-Dean Committee Meeting.

GRANITE NOTICE

An announcement coming from the editor of the 1928 GRANITE is to the fact that any junior who has not already disposed of his or her extra copy of the book may communicate with C. N. Elliott at the Phi Mu Delta House or Lester Brooks at the Delta Pi Epsilon House before Friday night, March 11th, and the GRANITE board will buy the copy. If such provisions are not cared for before that date the board will not assume responsibility for their disposal.

AN APPEAL

We are fortunate in having with us as our guests this week-end members of the leading basketball teams of the state. All the facilities that have been available have been thrown open for their needs and comfort and we hope that their visit with us will be a memorable one.

In past years, we have had winning teams here, and they have left our campus with the impression gained that New Hampshire is truly an excellent host. We pride ourselves in this fact and hope that this year our guests may leave with the same idea.

It is easy for spectators to forget themselves while watching the contests and give vent to their feelings in such a manner that one team or the other is liable to take offense. It is true that it is human nature to join into the spirit of the game and cheer for the side for which one may be prejudiced.

As a tribute to those who have been before us and have built up our reputation, may we caution the student body in their cheering to allow no unnecessary applause enter into the spirit of the game that could be construed for anything but the finest.

EPISCOPAL CHURCH

Service for members of the Episcopal Church, and others who may care to attend at The Community Church on the second Sunday of each month at 9 A. M. The Rev. A. M. Dunstan of Concord, N. H., The Archdeacon of The Diocese of N. H., officiates.

PROFITABLE INVESTMENT

A New Hampshire Alumnus, having a small business of his own, desires additional capital for his business. Can offer highly profitable return for money loaned him. Any teachers or Alumni desiring to invest in small or large amounts can receive good returns on their investments. Write:

ROOM 510, 263 SUMMER ST.,
BOSTON, MASS.

Tufts College Dental School

offers a three-year course leading to the degree of Doctor of Dental Medicine. Candidates for admission must present a certificate of graduation from an approved high school, and in addition must have completed two years of work in an approved college of liberal arts and science, including six semester hours in each of the following subjects: English, Chemistry, Biology, and Physics. Men and women are admitted. The session for 1927-1928 will commence on September 28, 1927. For further information write to

THE STUDENT- DEAN COMMITTEE

For the first time this term we are privileged to print an article concerning the new Student-Dean Committee that was instituted by Dean French of the College of Liberal Arts this term. News has been held back for various reasons, the main being that it was decided to note the manner in which the committee was going to function and note the experimental stages of the project before announcing any of the details.

Such a committee has been needed on this campus for years, not only for the students but for administration. In the past the faculty has heeded only the individual cries or perhaps the sentiments of the Student Council but never before has an organized body conferred with members of the faculty in regards to matters pertaining to student and faculty interest.

Now such a thing is possible. The students serving on the committee are those who are in a position to understand student affairs, who hear the daily problems and who are capable of presenting them to the administration. It is true that this group has no executive power, but in a sense it is advisory and to that extent may its influence be used.

Dean French has heard the opinion of the students at the meetings held so far this term and has agreed to changes that should be brought about and that are imperative. He has also pointed out that certain other changes would not be advisable at this time.

We can see that the first great step has been taken to bridge the gap that has stood for ages between the faculty and the student body. There is no matter that is too trivial nor too petty that could not be brought up at such a meeting. Therefore there is a certain amount of freedom that is given to those students who feel that perhaps their views may effect the entire student body. There is also that feeling that the students and the faculty are working as one and not against each other.

The advantages that may accrue to the faculty members, are harder for one to determine. There is of course the obvious advantage that comes from contact with a representative student body. Perhaps that may be the entire aim and the greatest advantage that can be gained. If that is so, it is earnestly hoped that student sentiment will be honestly understood by those men who are representatives at the various conferences. If that sentiment is expressed as the majority of the students would desire it to be, there has developed a new factor in student life that will always keep the two main factors of the university together—the faculty and the students, which ultimately means student-faculty cooperation.

FRESHMEN COMPLETE SEASON UNDEFEATED

The freshman basketball team swept through to a pretty finish of an undefeated season last Friday when they triumphed over the Tufts freshmen in a close game by the score of 27 to 19, at Medford. At the end of the first period the score was a tie and it looked for a time that Tufts might be the first to break New Hampshire's string of victories but during the second period Patch and Stolovsky broke through to put the cubs in the lead by the score of 11 to 8 at the half. After the fifteen minute rest, Tufts returned to center on a barrage of shots on the New Hampshire basket but the clever defence work of Donnelly and Gaunt kept the opposing forwards shooting at long range and thus rendered the attack less effective. The visiting freshmen retaliated with speedy floorwork on the part of Small and accurate shooting by Patch to raise the score in their favor to 27 points which was the final outcome of the contest.

With this victory, the freshmen conclude a season unmarred by defeat, the first to be attained by a freshman team since the 1927 football eleven of three years ago. Coach Swasey took over the handling of the team after the first few practice sessions and built a strong offensive and defensive combination. Many of this year's freshman squad bid fair to step into positions left vacant by graduating members of the varsity next winter. Patch at forward shows especially good promise. During the present season he led his team-mates in scoring by a wide margin getting 120 points to his credit in the ten games played. Small, his nearest competitor for scoring honors obtained 46. In Donnelly and Gaunt Coach Swasey feels that he has two of the best guards a freshman team has produced in recent years, while Stolovsky has filled successfully positions of guard and forward almost equally as well.

The freshmen defeated Hebron this season for the first time in three years and also came out on top in their contest with their old rivals the Maine frosh. In a comparison of points scored, the freshmen show a decided superiority over their opponents since they netted 329 points from the floor during the year to the latter's 191.

CHURCH NOTICE

There will be an Episcopal Evening service at the Community Church Sunday at 4 P. M.

WILDCAT WINTER SPORTS TEAM WINS INTERNATIONAL CHAMPIONSHIP MEET

(Continued from Page 1)

the lead, finishing the race on one shoe to win a fourth place. Russell Hobbs, a freshman, took Littlefield's position at the lead and gave the Wildcats a first in the snowshoe race. Although a novice at snowshoe running this winter, Hobbs developed fast under the coaching of Coach Perley of the winter sports team.

Ronald Tetley of New Hampshire set up a new intercollegiate record in the two-mile skating race of 6:52 2-5 minutes for a ten-lap course, thus winning the intercollegiate title in the skating race. In the 440-yard race, Tetley took a third place while Wendell gave New Hampshire another point by winning the fourth position in the two-mile race of which Tetley was the winner.

In the ski proficiency races, Pederson and Weston came to the front to take second and third places, being nosed out by Dartmouth's winter sports captain, Charlie Proctor. Roger Patten, who has been a consistent worker on the winter sports squad for two years, finished up in his last meet by taking a second place close to Thompson McGill who won the race.

The success of the New Hampshire winter sports team is due largely to the efforts of Coach George Perley and assistant coach Gunnar Michelson, former intercollegiate ski champions and holder of the Marshal Foch Trophy in 1923.

The New Hampshire winter sports team won its fourth decisive meet this season at Montreal, defeating Dartmouth by an easy margin at Hanover, scoring a clean-cut victory at Lake Placid at Christmas time, and topping off with the central division championships at Durham where the Wildcats ran away with Dartmouth, its nearest opponent, by a score of 46 to 29. The International championship was the second won by New Hampshire in two years. The Wildcats gaining the same title last year at the intercollegiate held at Hanover.

Pederson is the second intercollegiate ski champion at New Hampshire, Michelson holding the coveted title for three successive years in 1923, 1924, and 1925, a record that will stand for many years to come. Proctor of Dartmouth, holder of the title last season, lost his chance to equal Michelson's unusual record by being defeated by Pederson at Montreal. The Blue and White freshman jumper, on the other hand, has three more years of competition ahead of him to strive for the same title.

The summary of the International ski and snowshoe meet at Montreal is as follows:

Ski proficiency: First, Proctor, Dartmouth; second, Pederson, N. H.; third, Weston, N. H.; fourth, Thompson, McGill.

Ski downhill race: Ronsel, U. of Montreal; second, Britton, Dartmouth; third, Proctor, Dartmouth; fourth, Maxwell, McGill.

Figure skating: Bolton, McGill; North, Dartmouth; third, Johnston, McGill; fourth, Sears, Dartmouth.

140 yard skating race: Harrid, Dartmouth; second, Smith, N. H.; third, Tetley, N. H.; fourth, Klamroth, Dartmouth.

Two mile skating race: Tetley, N. H.; (new intercollegiate record of 6 minutes, 52 2-5 seconds for 10 lap track); second, Ryan, Dartmouth; third, Quebran, Dartmouth; fourth, Wendell, N. H.

Seven mile ski cross country race: Thompson, McGill; second, Patten, N. H.; third, Frost, Bates; fourth, Hodons, Williams.

Two mile snowshoe race: Hobbs, N. H.; second, Balmer, McGill; third, Monohan, Dartmouth; fourth, Littlefield, N. H.

Ski jumping: Pederson, N. H.; second, Proctor, Dartmouth; third, Weston, N. H.; fourth, Flynn, Bates.

The final standing of the teams scoring points was as follows: New Hampshire, 32; Dartmouth, 29; McGill, 17; Montreal, 5; Bates, 3; Williams, 2.

PHILA. CLUB APPOINTS FIVE NEW COMMITTEES

At the last meeting of the Philadelphia Alumni Club, March 1, Mr. and Mrs. M. G. Huse, Mr. and Mrs. J. H. Annis, Mr. and Mrs. E. C. Williams, Mr. and Mrs. A. C. Reid, Mr. and Mrs. C. H. Dodge, Dr. Phyllis Blanchard, Dr. Lucasse, Mr. J. J. Cronin, Mr. L. S. Holland and Mr. L. H. Kenney were present.

The business of the meeting consisted of the president's appointing committees as follows: Employment of U. N. H. Grads, C. A. Dodge, M. C. Huse, L. H. Kenney. Bowling; M. McConachie, J. H. Annis. College Activities, L. S. Holland. Entertainment; Mrs. C. A. Dodge. Annual Dinner, C. A. Dodge.

The matter of an annual dinner and meeting was discussed, and it was voted to hold this on the second Friday in April. Members who live at a distance from Philadelphia are especially urged to be present. If possible, a member of the University faculty will be the speaker of the evening.

The next meeting will be held at The Electric Club March 11. Dinner will be served at 6.00 p. m., and the meeting will be called to order at 7.45. Bowling will take place as usual on the third and fourth Fridays at the Penn Athletic Club at 7.30 p. m.

PROFESSIONAL ENGINEERING DEGREES WILL BE AWARDED

Among the candidates for degrees at Commencement this year will be alumni of the College of Technology who have met requirements for the Professional Engineering Degree. This degree has not been given before by the University in a number of years. Among these candidates will be Wesley Watson, '20, District Plant Engineer of the New England Telephone and Telegraph Company at New Bedford, Mass., and Willard E. Nudd, '19, a member of the faculty of Case School of Applied Science, Cleveland, Ohio.

PARKER'S CAFE

THE POPULARITY OF PARKER'S IS INCREASING

We Invite You to Enjoy Our Meals
With the Rest

No matter how high-hat
a pipe may be . . .

MAYBE you know some old fogey who owns one of these *ultra* high-hat pipes. . . a blotto bimbo who broadcasts a line of "broad-A" lingo: "cawn't enjoy tobacco that costs less than two bucks the ounce" . . . Well, paste this bit of news in the old boy's stove-pipe:

In picking pipe-tobacco forget price ENTIRELY. . . draw your own conclusions through the stem of your trusty pipe. Draw deep from a bowlful of grand old Granger Rough Cut and learn that there's ONE truly fine tobacco that DOESN'T cost a fortune.

Here's tobacco as fine as any man ever packed in his pipe. . . Granger is made for pipes and cut for pipes—it SMOKES like a million dollars! But the pocket-package is a foil-pouch (instead of a costly tin) and so, it SELLS at just ten cents.

It's tobacco worthy of the "dawgiest" meerschaum or calabash. . . tobacco worthy of any pipe in the world!

GRANGER
ROUGH CUT

The half-pound vacuum tin is forty-five cents, the foil-pouch package, sealed in glassine, is ten cents.

Made
for pipes only!

Granger Rough Cut is made by the Liggett & Myers Tobacco Company

**STUDENTS ATTEND
N. E. CONFERENCE**

Several Expect to go to
Poland Springs March 11

Eastern New England Student Group to Meet at Poland Springs, Maine, Under Auspices of Christian Associations—Number Limited to Two Hundred

Mr. Joseph E. Barker, university Y. M. C. A. secretary, and a delegation of four men students will be present at the Eastern New England Student Conference to be held at Poland Springs, Maine, on March 11 to 13. Rowland Smith, '28, Ned Elliot, '28, Arthur Andrews, '29, and Fred Mitchell, '28, are the tentative representatives for New Hampshire, with a possibility that Dana Cotton, '28, or Malcolm Conant, '28, may be substituted in case of a change. Delegations from Brown, Maine, Bates, Harvard and other eastern New England colleges will also attend.

The theme of the convention will be that of "Christian Belief in Action." Miss Rhoda McCulloch of the national Y. W. C. A. and Henry P. Van Dusen, instructor at Union Theological Seminary, will be the speakers. Miss McCulloch, due to her wide experience with people, is considered to fulfill the task of pointing out and describing means of combating some of the weaknesses of the present day social order; whereas, Mr. Van Dusen, having spent the last two years in conferences on the various college campuses of the Middle and South West will present some very vital and helpful observations to the gathering of students from Eastern campuses. Inasmuch as the size of the conference has been limited to 200, it is felt that those present will gain a greater insight of active Christian service and its duties to be fulfilled.

**WILDCAT QUINTET
WINS TWO GAMES**

Tufts Defeated, 42 to 29
Varsity Beats Worcester

New Hampshire Court Team Keeps Up Record of Twelve Victories in Thirteen Starts—Wildcats Meet Brown in Final Game Saturday

New Hampshire's basketball team romped home with two more victories to its credit, defeating Worcester Tech and Tufts last Friday and Saturday, by the scores of 45 to 26 and 42 to 29 on their respective home courts. The Wildcats were going strong and found no trouble in piling up large scores. Craig and Bridge cleaned up in the high scoring field with twenty-four points apiece in the two games while the defensive work of Captain Kelsea and Nicora with the effective floor work of Cotton thrilled the spectators on both evenings.

In the Worcester Tech game, New Hampshire was behind 6 to 1 after the first few minutes of play but Coach McKinley immediately rushed in his team and brought the score to 34 to 13 at the end of the first half. Craig and Bridge worked perfectly together and netted a half dozen baskets apiece before the Tech team could gather their defense. The second period was a little better for the Worcester quintet for they managed to score more points than the visitors but without effecting the final outcome.

Harris was the most outstanding player on the Tech team with a total 15 points for the evening's work. He shot repeatedly from the sidelines, being unable to penetrate the New Hampshire defense and scoring 10 of the 13 points made by his team in the first half.

On Friday evening at Medford, the Tufts quintet was defeated for the second time this season by the Wildcat team. New Hampshire showed up stronger in this game than in the previous engagement which was won by only a few points. Her clean and expert attack upset the Jumbos at the very beginning of the contest and from the first five minutes of play it was New Hampshire's game. Craig and Bridge flashed through the opponents guard repeatedly and scored at will. Coach McKinley substituted his second team towards the close of the game and they also added to the score with Clement having two baskets to his credit.

**URGES SPRAY RINGS
FOR APPLE GROWERS**

Fruit Specialist Says Neighbors With 500 or More Trees May Well Cooperate

Where there are 500 or more bearing apple trees in a neighborhood, growers may well combine in the co-operative purchase of a power sprayer, believes H. A. Rollins, extension fruit specialist of the University of New Hampshire. Five farmers in Atkinson, N. H., formed such a spray ring last year, and handled more than 2000 trees; they not only did the work much more efficiently and cheaply than before, but were able to put on the much needed extra sprays for proper fruit production. Purchase of a 3½ horse-power, 150-gallon sprayer with spray rod and gun was made through the bank, and the cooperators covered 1000 trees outside the ring at a charge of 25

cents a tree. Sprayers may be bought with a potato spray boom attachment and thus be used for two different kinds of crops.

Mr. Rollins says that the following plan of organization seems to be working out very well. The money for the purchase of the sprayer is borrowed from a bank on a note signed by all the members of the ring. The machine is placed in charge of a manager, who will be responsible for housing and care of the machine and who will spray for the members. The manager charges each member for his time when spraying. A "Treasurer" of the ring will charge the members for the use of the machine. From his receipts for the use of the machine the treasurer will pay the manager for housing and care and will pay interest and principle of the note at the bank. There is an advantage in using the sprayer as many days as possible so that after the cooperators' trees are sprayed, outside work may be done.

**PAUL FENTON HEADS NEW
UNIVERSITY FOUR-H CLUB**

A meeting of former 4-H club members, many of which have attended the Eastern States Exposition, was held Monday evening at the community house and the University 4-H Club was organized. All students who have ever done any 4-H work are eligible for membership. Paul Fenton, '29 chairman of the meeting was elected temporary president, C. B. Wadleigh and Miss Mary L. Sanborn were chosen State Club Leaders, Christy Pettee, '30, Elbert Farrar, '27, and Elizabeth Ricker, '28 spoke at the meeting.

After the organization, songs and games followed on the program and refreshments were served. Another meeting of the club will be held early next term.

**MARRIAGE OF INSTRUCTOR
TAKES PLACE IN PORTLAND**

Miss Pauline Roberts of Lisbon Falls, Maine and Mr. Arthur N. Lawrence of Durham were married Sunday, March 6, 1927 at Portland.

Mrs. Lawrence is a graduate of the Leland Powers School of Education. Mr. Lawrence is an instructor in the College of Agriculture, a member of the Theta Upsilon Omega fraternity and of the class of 1923.

I've got
a half-nelson
on jimmy-
pipe joy

I TOOK P. A. for better or worse . . . and found it better! Better than anything I had ever smoked. That's my story and I'm going to stick to it. When siren-brands try to flirt, I just give them the Frigidstaire. I know what I like in a pipe, and what I like is Prince Albert!

The instant you break the seal on the tidy red tin and get that wonderful fragrance of real tobacco, you know you are in for a pipe-treat. Your mouth fairly waters for a taste of tobacco that smells as good as that. Then you load up and light up—ah! . . .

Cool. Sweet. Fragrant. Old words, I'll admit, but you get a brand-new idea of how much they can mean in a pipe-bowl packed with P. A. Maybe you've always thought such pipe-pleasure was "just around the corner." Try a load of Prince Albert and turn that corner!

PRINCE ALBERT

—no other tobacco is like it!

© 1927, R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.
